

Researchers, and Explorers (INSPIRE) Women Act (Roll Call Number 134), I would have voted "aye." I am encouraged by Rep. COMSTOCK's work to expand STEM educational opportunities for women and girls. Specifically, the bill directs NASA to encourage women and girls to study science, technology, engineering and mathematics (STEM), pursue careers in aerospace and support NASA GIRLS and NASA BOYS, the Aspire to Inspire (A2I) program and the Summer Institute in Science, Technology, Engineering, and Research (SISTER) program.

Had I been present for the vote on H.R. 4336, the Women Airforce Service Pilot Arlington Inurnment Restoration Act, as amended (Roll Call Number 135), I would have voted "aye." I support Rep. MCSALLY's work to make groups of women, civilians and foreigners who served the United States during World War II eligible to be inurned in Arlington National Cemetery. This is a great victory for the families of the brave women who served during World War II.
